Isn't It time your Organization became a ROAR Affiliate?

With organized racing experience since 1967, ROAR's rules and specifications have become the accepted standard throughout the sport at both the local and national level. With about 250 affiliated clubs, and more than 4500 members across the U.S. and Canada, it's no wonder ROAR has produced more IFMAR World Champions, in more scales than any other R/C racing organization in the world. With ROAR's solid organizational backing, ROAR National Championships continue to draw more racers than any other R/C racing event.

As an organization interested in meeting ROAR specifications, having access to the latest rules changes, and the opportunity to provide comment on prospective rules and specifications before they are enacted, it is important for you to be an affiliate.

As a ROAR R/C Industry Affiliate you receive:

- ROAR Affiliation for one year from the date your application is received
- A copy of ROAR's Official Rule Book containing scale rules and specifications
- Rule updates on our website www.roarracing.com
- Participation in the review of proposed Rules and Specifications
- Free listing of your Organization as a ROAR R/C Industry Affiliate on our website
- A link to your company website from the ROAR website - www.roarracing.com
- Permission to use the ROAR Affiliate Logo in all advertising and correspondence
- One Individual membership, if desired, at the same mailing address
